

Changing Education – from the Inside -Out!

Each course is an INSET day but can also be delivered over 3 INSET sessions.

Each course results in Practical Take-Away tasks – to bring the change we are aiming to see. Time invested results in direct results.

Title	Overview	Who For
<p>The Neuroscience of Student Motivation: Engage and Empower</p>	<p>Creating Irresistible Lessons: Explores practical, brain-based strategies to boost student engagement, motivation, and a love for learning in today's classroom.</p> <p>Utilising Tech rather than spending hours trying to get it off our kids ...
